

September 7, 2025 Family Meeting Minutes

Attendance: Approximately 175

Opening: Pastor Jared opened the meeting with a reading from Proverbs and a prayer. Pastor Brad led a song of worship, after which Pastor Jared called the meeting to order.

Approval of Minutes: The minutes from the July 13 meeting were presented. A motion was made, seconded, and approved.

New Members (Pastor Patrick): Seventeen prospective members, including two non-voting minors, were presented for membership. Each completed the membership class, was baptized by immersion, and interviewed with a pastor. A motion to receive them into membership was made, seconded, and carried.

Membership Accuracy Project (Pastor Patrick): An update was given on efforts to contact inactive members. Many confirmed relocation or new church membership; others could not be reached. A list of inactive members was presented for removal. Six individuals were requested to remain active, and the list was amended accordingly. A motion to reclassify the remaining individuals as former members was made, seconded, and approved.

540 Campus Update (Pastor Kyle): Pastor Kyle thanked the setup team for their faithful service. The 540 Campus continues to welcome new guests each week, with additional volunteers from the Falls Lake Campus assisting.

Next Generation Ministry (Pastor Jeff): Pastor Jeff highlighted a strong summer of ministry, including a well-attended Vacation Bible School and a fruitful student camp where several made decisions for Christ and sensed a call to ministry. Twenty students also participated in mission trips and local service opportunities. He expressed gratitude for the leadership of Billy, Cade, and Maura.

Construction and Multiply Update (Pastor Jared): Pastor Jared shared that final cost estimates are pending before signing construction contracts. The church is appealing NCDOT's road improvement requirements for Old Creedmoor Road and awaiting a decision. The updated site plan is under review with Wake County, and efforts continue to secure water access. Once approved, construction will begin with the Mission Home. The church was asked to pray for favor and timely approvals.

He also reported on the Multiply giving campaign. The two-year goal is \$17,025,000, with \$16,718,646 received as of August 31, 2025—ahead of schedule. Pastor Jared encouraged the church to celebrate this provision and finish strong to offset rising construction costs.

Deacon Report (Steven Burch): Steven announced that four men were honored as Deacon Emeritus: Bob Lassiter, Walt Haskins, Steve Garrison, and Bob Hughes, in recognition of their faithful service. He also noted that deacon nominations are now open, with forms available online and in print.

Adjournment: The meeting closed in prayer, followed by a fellowship reception in the Fellowship Hall.
