

BAY LEAF'S SUNDAY GROUP NEWS FOR MARCH 15, 2026

Bay Leaf is one church in two locations—events are open to everyone, no matter which campus you attend.

Volunteer for Easter Eggstravaganza

March 28 • 10AM-12PM • Falls Lake Campus

Easter Eggstravaganza is one of our largest outreach events of the year, and we cannot make it happen without volunteers and generous Easter egg donations. If you call Bay Leaf home, consider serving or bringing candy-filled eggs so we can create a welcoming, joyful experience for every family who attends. Sign up to volunteer at bayleaf.org/volunteer. Register & learn more at bayleaf.org/easteregg.

Bay Leaf Membership Class

April 12 • 5-7 PM • Falls Lake Campus

If you've been attending Bay Leaf and are ready to take your next step, the Membership Class will help you understand what we believe, why membership matters, and how to get connected. In this two-hour session, you'll explore our mission, values, disciple-making focus, and the responsibilities of meaningful membership. Register at bayleaf.org/newmember.

Easter Week at Bay Leaf

Sunday, March 29-Sunday, April 5

Plan to join us as we remember and celebrate the hope of Easter together at Bay Leaf. Our Easter Week begins with Palm Sunday on March 29, followed by a Holy Week Communion Service on Wednesday, April 1 at 6:30 PM at the Falls Lake Campus.

We will gather again for a Good Friday Service on April 3 at 6:30 PM at the Falls Lake Campus to reflect on Christ's sacrifice.

Easter Sunday services will be held April 5, with gatherings at 8:30 and 11:00 AM at the Falls Lake Campus and 10:00 AM at the 540 Campus.

Explore the full Easter Week schedule and plan your visit at bayleaf.org/easter.

Dependence: Women's Conference

April 17-18 • Falls Lake Campus • Cost: \$25

What does it mean to depend fully on the Lord? This spring, we invite women of all ages to step away from the noise and gather for a meaningful two-day Women's Conference centered on the theme of Dependence.

Guest speaker Dr. Tara Dew will walk us through Psalms 23 in 3 sessions, helping us discover how God's provision, protection and His constant presence can draw us to depend on Him more each day. Whether you are walking through abundance or uncertainty, you will be encouraged through rich biblical teaching and fellowship with other women who are seeking to grow in Christ. Register at bayleaf.org/dependence.
